

CHAP. 338. trary to the laws of this State, or of the United States or the provisions of this act.

Power to increase capital stock

SEC. 12. *And be it enacted,* That if the capital stock of said company shall prove insufficient for the purposes of this act, the president and directors of said company or a majority of them, may from time to time increase the capital stock by the addition of as many shares as may be necessary, for which they may at their option, cause subscriptions to be received, or may sell the same for the benefit of the company for any sum not under their par value.

May sell

Powers

SEC. 13. *And be it enacted,* That the president and directors of said company shall be, and they are hereby invested with all the rights and powers necessary to the construction and repair of the rail road hereinbefore mentioned and described, not exceeding sixty six feet wide, with as many tracks as they or a majority of them may deem proper, and they or a majority of them may cause to be made, or contract with others for making the whole or any part thereof, and they or their engineers, agents, contractors, or their labourers may enter upon and use and excavate any land which may be wanted for the site of said road or for warehouses, depots, wharves or other works, necessary to said road, or for the construction, or repair of said road or any of its works, and may build bridges, or culverts over any waters, navigable or otherwise, or over ravines, fix scales and weights, may lay rails, may take and use any earth, timber, stone, gravel or other materials, which may be wanted for the construction or repair of any part of said road, or any of its appurtenances, and may make, or cause to be made lateral rail roads diverging to such points on the Chesapeake Bay, or the navigable waters connected therewith, not within the limits of Worcester county or of the waters emptying in the Delaware bay, as they shall think proper, and shall have power to increase their capital stock for the purpose of constructing such roads, and in the construction thereof, or the necessary appurtenant works, shall have and may exercise all the rights and powers, hereby grant-
