

SEC. 3. *And be it enacted*, That this Act shall take effect from the date of its passage.

Approved April 1, 1901.

CHAPTER 6.

AN ACT supplemental to Chapter 216 of the Acts of 1900 entitled "An Act to provide for Water Works at Hyattsville, Prince George's County, and maintenance of the same," approved on the seventh day of April, 1900, to make corrections therein, to ratify an election thereunder, and to provide for the issue of bonds by the Mayor and Common Council of Hyattsville.

Hyattsville
Water Works

WHEREAS, By the Act mentioned in the foregoing title the Commissioners or the Mayor and Common Council of Hyattsville, as the case might be, were empowered to borrow money to an amount not exceeding thirty thousand dollars, and to issue coupon bonds therefor, in order to provide said water works, and the question whether said bonds should be issued was submitted to the voters of said town, and approved by a large majority, and were entered into for construction of the works, but when the bonds were about to be issued it was discovered that through a mistake in the wording of said Act the interest would not commence to run until six months after the issue thereof, and it was also found that the notice of election was not in accordance with the words of said Act, by reason whereof the bonds could not be sold, to the great inconvenience of the inhabitants of the town.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the effect of said election shall be in all respects the same as if the notice given thereof had been fully in accordance with said Act, and that the Mayor and Common Council of Hyattsville may, in order to accomplish the objects of said Act, issue the bonds of said corporation to the amount of not more than thirty thousand dollars, bearing an interest of not over four per centum per annum, commencing from the date of or from the issue of the bonds, with coupons for the interest payments attached, and that said bonds and coupons shall be of such amounts, in such form, with such authentications, and payable at such place, and be disposed of in such manner as the Mayor and Common Council of Hyattsville may determine by their ordinance; provided, however, that

Bonds may be
issued.
