

R E P O R T  
OF THE  
Comptroller of the Treasury  
**OF THE STATE OF MARYLAND.**

COMPTROLLER'S OFFICE,  
TREASURY DEPARTMENT,  
*Annapolis, Md., January 3, 1887.*

*To His Excellency, Henry Lloyd,  
Governor of Maryland:*

I respectfully submit to your Excellency this, my third report of the condition of the State Treasury, embracing the fiscal year ending on the 30th day of September, 1886, as required by the 9th Section of the 9th Article, of the Revised Code of the Public General Laws.

RECEIPTS.

The total receipts into the Treasury from all sources during the fiscal year amounted to the sum of \$1,994,278.77, which, added to the balance in the Treasury on the 30th day of September, 1885, makes the total amount in the Treasury during the fiscal year of \$2,741,686.10. The receipts for the year have been a fraction less than they were for the years 1884 and 1885, but they are about what have been the average for the past nine years.

It is very gratifying to find that notwithstanding the general depression that has prevailed throughout the country, and the consequent lessening of revenues of all monetary institutions, that the receipts of our State Treasury are satisfactory.
