

—=REPORT=—
OF THE
COMPTROLLER OF THE TREASURY
OF MARYLAND.

TREASURY DEPARTMENT,

COMPTROLLER'S OFFICE,

ANNAPOLIS, MD., JANUARY 3, 1894.

TO THE HONORABLE

THE GENERAL ASSEMBLY OF MARYLAND:

I respectfully submit the following exhibits of the operations of the Treasury Department during the fiscal year ended Sept. 30th, 1893, as required by Article 19, Section 9, of the Code of Public General Laws.

RECEIPTS.

There has been received into the Treasury from all sources, during the fiscal year ended the 30th day of September 1893, the sum of \$2,533,611.48 as given in detail in "Statement A," in the first Appendix of this Report, and the balance in the Treasury at the close of the previous fiscal year was \$482,048.46, making the total amount in the Treasury during the fiscal year \$3,115,659.94.

The amount of receipts in the Treasury for the fiscal year 1893 is less than for the previous year by \$472,939.70. This decrease can be accounted for from the fact that the receipts for the fiscal year 1892 contained \$371,299.83 received from the General Government and \$100,000.00 from the sale of an equal amount of the Exchange Loan of 1891, and \$37,202.28 from the sureties of Stevenson Archer, late Treasurer, aggregating \$508,502.11, a simple subtraction will show the receipts from the *usual sources* for the fiscal year 1893 exceed those of 1892 by \$25,562.41.

DISBURSEMENTS.

The disbursements during the fiscal year 1893 amounted
