

Baltimore, Md.,
October 1, 1925.

HON. WILLIAM S. GORDY, JR.,
Comptroller of the Treasury,
Annapolis, Maryland.

Honorable Sir—I herewith submit the following report of the License Inspector of the State of Maryland for the fiscal year beginning October 1, 1924, and ending October 1, 1925.

The total result of the inspecting of licenses over the State, (Delinquents and Inadequate), amounted to \$105,735.77. Of this amount \$66,929.94 was collected in Baltimore City, and \$38,805.83 was collected in the counties.

The market cases, which are now pending in the Court of Appeals for a final decision, have been decided in the Baltimore City Courts in favor of the State of Maryland. The revenue from this source will amount to approximately \$90,000, or \$30,000 per year, they now being three years in arrears.

So far this work has been accomplished without having to resort to any arrests, excepting in the above mentioned market cases. There is now approximately \$3,000 due the State (on record at Annapolis), which is collectable.
