

STATEMENT "FF"

Baltimore, Maryland,
July 1, 1943.HONORABLE J. MILLARD TAWES,
Comptroller of the Treasury,
Annapolis, Maryland.

Honorable Sir:

I herewith submit the following report of the License Inspectors of the State of Maryland for the fiscal year beginning October 1st, 1942, and ending June 30th, 1943.

This report covers the activities of the department for the period of nine months from October 1, 1942, to June 30, 1943, conforming with the change in the fiscal year made by the General Assembly at the 1943 Session. The inspection work which will be done in the months of July, August, and September, 1943, will show next year in the report to be made for the year beginning July 1, 1943, and ending June 30, 1944. The change in the fiscal year at this time does not give us an opportunity to make a comparison of the results obtained, by comparing the work covered by this report with the work covered by the report for the fiscal year ended September 30, 1942. However, subsequent reports will be for the year ending June 30th and it will be possible to make a comparison by years, as in the past.

The inspection of licenses over the State of Maryland for the year 1942-43 (to June 30, 1943), resulted in the receipt of \$23,124.26 additional fees and penalties into the State Treasury. Of this amount \$14,688.40 was collected in Baltimore City, which included penalty of \$2,002.43. In the counties \$8,435.86 was collected, which included penalty of \$2,117.36. The total amount of penalty collected over the State for this period was \$4,119.79.

The following is a list of the different kinds of licenses found to be necessary by the State License Inspectors in Baltimore City and the counties, and which had not been secured:

Kind of License	Baltimore City	Counties	Total
