

Construction Loan of 1949 will be serviced with money to be paid into the State Treasury by the political units of the State receiving money out of the proceeds of the sale of those bonds.

I believe you will find interesting the insert which follows this letter. We call it the "Tax Dollar." It shows the receipts and disbursements of the State by sources of receipts and functions of government. The amounts for each and the percentages of the totals are shown.

Assuring you it will be a pleasure to be of service to you in furnishing you with any information available from the records of the department, I am

Respectfully,

J. MILLARD TAWES,

Comptroller.
