⁽¹⁾ Intergovernmental expenditures for the years 1976 through 1978 are included in current and capital outlay expenditures.

⁽²⁾ Certain adjustments were made to fund balances as of July 1, 1978 to present the financial statements for the year ended June 30, 1979 in conformity with generally accepted accounting principles. These adjustments principally consist of adjustments to revenues and expenditures of prior years reported in Budgetary Funds. It is not practicable to adjust the financial statements of prior years to reflect these adjustments.

⁽³⁾ Effective July 1, 1981, the Maryland Higher Education Loan Corporation's activities were recorded in the enterprise funds and its beginning equity was reclassified from the general fund balance to retained earnings in the enterprise funds.

⁽⁴⁾ Effective July 1, 1982, capital outlays for transportation projects are reported in Capital Outlays instead of Transportation.

⁽⁵⁾ During 1983 the Lottery returned \$8,000,000 to the General Fund. This return of contributed capital has been reported as an equity transfer.

⁽⁶⁾ Effective July 1, 1984 fringe benefit costs are allocated to the various governmental functions.
