

CHAPTER 667.

AN ACT to repair and reconstruct about ten miles of road known as the Old Government Post Road, lying between the towns of Elkton and Perryville in Cecil county, to demonstrate the value and economy of clay-gravel construction with proper drainage; to appropriate the sum of forty thousand dollars (\$40,000.00) therefor, and to direct the State Roads Commission to proceed with said construction and maintenance, keeping strict account and reporting to the Governor of Maryland the costs upon completion and the costs of maintenance thereafter.

(Vetoed.)

CHAPTER 668.

AN ACT to create and establish a new election district in Prince George's county and to provide for the proper registration of the legal and qualified voters therein.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That a new election district in Prince George's county, Maryland, be and the same is hereby created and established from parts of District No. 16, now known as Hyattsville District, and District No. 2, now known as Bladensburg District, said new district to be known as Riverdale District or as District No. 19.

SEC. 2. *And be it enacted,* That the election district so to be created and established shall be within the following metes and bounds and practically by the following courses—that is to say: Beginning at a point on the Washington and Baltimore Boulevard, now known as State Road No. 1, said point being the southwest corner of Riverdale, where it joins the Town of Hyattsville; thence easterly with corporate limits of Hyattsville to the Baltimore and Ohio Railroad tracks; thence easterly to a gate on the property of Charles A. Machem, now owned by Mr. Schofield, near the gravel hill on the Edmonston Road; thence southerly with the said Edmonston Road to the southwest corner of Machem's property; thence with the southern and eastern boundary lines of said Machem's property to intersect the southern boundary line of the property owned by Ringgold W. Browning, Trustee, now known as Melrose; thence with southern and eastern boundary lines of said Browning's
