

SEC. 3. *And be it further enacted*, That the said high school building shall be located in the said Town of Queen Anne at or near the present site of the primary school building in said town, and Messrs. Harry Clark, George H. Beaven and Hugh Brown are hereby appointed a committee to decide upon and determine the exact location of said building, and the said Board of School Commissioners are hereby authorized to acquire such lands as are necessary and proper for said building and for the proper conduct of the school, and in the event that said boards are unable to acquire the site so selected at such a price as the said boards or a majority of said boards may determine to be just, then the aforesaid committee shall select another site in said town, which shall be purchased as aforesaid by said Boards of School Commissioners for the purposes aforementioned.

SEC. 4. *And be it further enacted*, That for the purpose of constructing and equipping said high school building, each of said three Boards of County School Commissioners are hereby authorized and directed to pay the sum of one thousand dollars (\$1,000) each, which, together with the aforesaid appropriation of four thousand dollars (\$4,000.00), will make the sum of seven thousand dollars (\$7,000.00) aforesaid, which is hereby authorized to be expended for the construction and equipment of said high school building and for acquiring such lands as are necessary and proper for the conduct of said school.

SEC. 5. *Be it further enacted*, That whenever the said high school building shall be constructed and equipped and the school conducted therein shall meet the requirements of the general school law relating to high schools, it shall be approved by the State Board of Education, and shall then be accepted and entitled to receive all the appropriations, rights, privileges and immunities provided by the Act of Assembly of 1910, Chapter 386, or any re-enactment of the same, so far as the same relates to high schools or to high schools having either an agricultural, manual training or a commercial course, in this State.

SEC. 6. *And be it further enacted*, That each of said three Boards of County School Commissioners shall contribute annually such sum or sums of money as shall be necessary or proper for the maintenance of said high school, the amount to be paid by such board to be in proportion to the number of pupils attending from each of said counties, respectively, and enrolled in said high school on the 15th day of January, in each year, as based on the total enrollment of said school on the said fifteenth day of January in each year, and the principal or head master
