

CHAPTER 769.

AN ACT to authorize the County Commissioners of Queen Anne's county to provide for the building of public school houses in Centreville, Sudlersville, Templeville, at or near Love Point, and midway between Church Hill and Sudlersville, or thereabout, and for the building and improvement of sand-clay, gravel and shell roads and for the building of new bridges and culverts, wherever the County Road Engineer for Queen Anne's county and the County Commissioners deem it necessary; also to provide for the building of new roads and bridges under the State aid or "Shoemaker Road Law," whenever petitioned by the County Commissioners of said county; and to borrow upon the faith and credit of said county, a sum not exceeding seventy-five thousand dollars, and to issue and sell coupon bonds therefor to pay for the same, and to provide for the levy and collection of taxes to meet the interest and principal of said bonds as same shall become due, and to appoint advisory commissions for building and equipping said public school houses.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That for the purposes aforesaid the County Commissioners of Queen Anne's county are hereby authorized, empowered and directed to borrow on the credit of said county such sum or sums of money as may be necessary, not exceeding in all the total sum of seventy-five thousand dollars (\$75,000); out of this total sum of seventy-five thousand dollars there shall be used for public school purposes as provided for in this act such a sum or sums as may be necessary not exceeding twenty-five thousand dollars (\$25,000), and of the said sum of twenty-five thousand dollars allowed for school purposes, the sum of fifteen thousand dollars thereof, or so much of said fifteen thousand dollars as may be necessary, is to be used in the erection and equipment of the primary school building in the town of Centreville, including the purchase of the site for said school building; and out of this total sum of seventy-five thousand dollars there shall be used for the building and improvement of sand-clay, gravel and shell roads, and for the building of new bridges and culverts, wherever the County Road Engineer for Queen Anne's county and the County Commissioners deem it necessary, and to provide for the building of new roads and bridges under the State aid or "Shoemaker Road Law," whenever peti-
