If any candidate shall receive a majority of all the votes cast and counted for his office in any county or legislative district for first choice he shall be considered the "First Choice Candidate" of such county or legislative district and entitled to the vote of the delegates from such county or legislative district on the first and subsequent ballots in the State Convention as herein-after provided.

And in such case the "Second Choice Candidate" of said county shall be determined by the Supervisors of Elections, as follows:

The ballots cast for said "First Choice Candidate" polling a majority of all the votes of said county as aforesaid shall be distributed among the remaining candidates according to the way the voters marking the same have indicated their "Second Choice". That is, by adding to said first choice votes of each of said remaining candidates the second choice votes of those voting for the candidate polling a majority over all for first choice.

And if in such case none of said remaining candidates has then received a majority of all the votes cast and counted for said office in said county or legislative district, then the lowest of said first choice candidates shall be dropped from the canvass and the votes cast for him for "First Choice" shall be dis-
