

## CHAPTER 191.

AN ACT to repeal and re-enact with amendments section 270A of Article 11 of the Code of Public Local Laws of Maryland, title "Frederick County," sub-title "Frederick," as the same was amended by Chapter 51 of the Acts of the General Assembly of Maryland, passed at its session in the year 1910.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That section 270A of Article 11 of the Code of Public Local Laws of Maryland, title "Frederick County," sub-title "Frederick," as the same was amended by Chapter 51 of the Acts of the General Assembly of Maryland, passed at its session in the year 1910, be and the same is hereby repealed and re-enacted with amendments, so as to read as follows:

SEC. 270A. The Mayor and Aldermen of Frederick shall have power to pass all laws and ordinances necessary for the good government of the city; to prevent, remove and abate all nuisances or obstructions in or upon the streets, highways, lanes or alleys, drains or watercourses; to regulate and prescribe by ordinance, as a protection against fire, whether houses to be built or erected in said city shall be built of wood or other materials; and to prescribe in what parts and sections thereof buildings of wood may be erected; and to prescribe penalties for violating any such ordinance; to require by ordinance that every person who wishes or proposes to erect or add to any building or buildings in said city shall make a written application to the City Register, or such other person as shall be designated by ordinance, for a permit to erect the same; before beginning work thereon, and in such application to set forth the location, character, materials, purposes and uses of said building, and before beginning work on the same obtain a permit as now or hereafter provided by ordinance, upon payment of such sum as the ordinance shall provide; and to provide by ordinance penalties for the erection or beginning to erect or add to any building without such permit; to provide by ordinance for taking down and removing any building erected of wood in any part or section of the city in violation of any such ordinance wherein the erection of buildings of wood are forbidden, and for taking down and removing any building erected without a permit first had and obtained as now or hereafter provided by ordinance; to cause sidewalks along the public streets and highways of the city to be graded, paved, repaired or improved, curbs to be set and gutters laid, at the
