

road engineer shall appear before the County Commissioners at their first meeting in each and every month and make a statement in writing to them of the work done and money expended. He shall examine and certify to the correctness of all bills and accounts of any work done or materials furnished on the public roads and bridges of Charles county before the same shall be paid by the county treasurer; and the said county treasurer shall make no payments of such accounts unless certified by said engineer and approved by the said County Commissioners. He shall make out annually in writing a detailed report to the Board of County Commissioners of all work done on the county roads and bridges for the year, together with the names of all persons working on said roads and bridges and the amounts to which each person is entitled for such work, and which he has certified as correct, which report shall be made on or before the first day of July, in each year, and a copy of the said report shall be filed in the office of the County Commissioners, and published in the county papers as is required in the case of the county levy.

160c. The County Commissioners of Charles County shall at the time of making the annual levy in said county for the year 1912, and annually thereafter, levy upon the taxable property of the county a sum of money of not less than eight thousand dollars nor more than fourteen thousand dollars, for the purpose of paying for the construction, reconstruction and maintenance of the roads of the said county, and out of the amount so levied upon the total assessable property of the county a pro rata disbursement shall be made of the said fund apportioned to each of the nine election districts of Charles County in proportion to the assessed value of the property assessed for taxable purposes in each of said several districts, and the money so levied against the respective election districts shall be used only in payment for the construction, reconstruction and maintenance of roads now in existence and for the costs of acquiring rights of way, constructing, reconstructing and maintaining new roads ordered under the provisions of law for the opening of new roads, and in addition to the amount of levy, authorized as aforesaid, the County Commissioners of Charles county shall use for the purpose of constructing, reconstructing, opening and maintaining roads all of the money obtained by them for liquor licenses under the provisions of section 116A, as enacted by Chapter 707 of the Acts of Assembly of Maryland of 1906, the same being section 116A of Article 9 of the Code of Public Local Laws, title "Charles County," sub-title "Spirituous and Fermented Liquors." And
