CHAPTER 428.

AN ACT to authorize the Mayor and City Council of Baltimore to build a new bridge over the Patapsco River, from a point on the north side of said river, at or near the present northern terminus of the Light Street Bridge to a point in Anne Arundel county, at or near the present southern terminus of the Light Street Bridge, either directly or by way of the point of Baltimore county between the Patapsco River and Spring Gardens, and to acquire all property necessary for abutments or approaches to said bridge, and to exercise jurisdiction over such property and said bridge, and to authorize the Mayor and City Council of Baltimore to issue its stock to an amount not exceeding two million dollars (\$2,000,000), the proceeds thereof to be used for the construction of said bridge and for acquiring the land and other property herein authorized to be acquired, and to provide for the submission of said loan to the legal voters of Baltimore City for their adoption or rejection and to authorize the Mayor and City Council of Baltimore to remove or otherwise dispose of the present Light Street Bridge.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Mayor and City Council of Baltimore be and it is hereby authorized to construct a new bridge over the Patapsco River, from a point on the north side of said river, at or near the present northern terminus of the Light Street Bridge, to a point in Anne Arundel county, at or near the present southern terminus of the Light Street Bridge; the said bridge to be constructed in such manner, of said material and of such width (not less than sixty feet) as the Mayor and City Council of Baltimore may, by ordinance prescribe; and, for the purpose of providing landing places, abutments and approaches for said bridge, the Mayor and City Council of
