

any other railroad or railway and to connect or enter into traffic agreement with any other railroad or railway.

SEC. 14. *And be it further enacted*, That said company, in addition to the powers, rights and privileges herein enumerated is hereby authorized and empowered to supply to the public, including both individuals and corporations within the county of Allegany, in the State of Maryland, and the county of Mineral, in the State of West Virginia, but subject, nevertheless, to such rules and conditions as said counties or any municipalities therein may respectively prescribe; power in the forms of electric current, and hydraulic, pneumatic and steam pressure, or any of the said power, and in any or all other forms, for use in driving machinery, and for light, heat and other uses to which the power so supplied can be made applicable; and to fix, charge, collect and receive rates and tolls therefor; and for the purpose of enabling the company to supply power, as aforesaid, it is further authorized to construct and equip boilers, engines, machinery, switches, lamps, motors and all other works, structures and appliances within the counties aforesaid, but subject, nevertheless, to such reasonable regulations and conditions as the public authorities therein may require; and said company is authorized to contract for the said power from any electric or power company, now incorporated, or which may hereafter be incorporated, or to buy, sell or consolidate with any such electric power company for such purposes, and to charge and receive reasonable rates therefor.

SEC. 15. *And be it enacted*, That the president and directors of said company may borrow from time to time for the corporate purposes of said company, such amounts of money as they may deem proper and provide for the payment of the same and interest thereon by the issue of coupon bonds in such amounts as the board of directors may deem necessary for the purpose of said railway and its extension, and the equipment of its power plant for the distribution of light, heat and all other purposes and uses to which electricity can be made applicable, and to secure the payment of the same by a mortgage on all or any part of the property, rights, franchises, tolls and revenues of said company.

SEC. 16. *And be it enacted*, That all the powers granted herein and vested in the Westernport and Keyser Electric Railway and Power Company, under this act, shall be subject to and exercised in accordance with such regulations and control as may be exercised with respect to the said Westernport and Keyser Electric Railway and Power Company, by the Public Service Commission of Maryland, in accordance with the power
