

cels of property for the depth or depths of one hundred and fifty feet, but no piece or parcel of ground shall be charged under this act unless it binds or abuts upon a street or road or right of way in which such sewer or main is constructed and subject to the general regulations and charges for use, can be served by such water main or sewer—and where a corner lot binds or abuts upon two streets or roads or rights of way which contain sewers or water mains, the front feet shall be computed for the purpose of the charges which may be imposed under this act as one-half of the total number of front feet in such corner lot measured on two sides and the part of any water main or sewer so omitted as against a corner lot shall be charged to the other pieces of property binding or abutting on the same. Provided, further, however, that the compensation to be allowed the inspector, which shall not be in excess of the amount to be agreed upon by the County Commissioners, after such conference aforesaid, may include the cost of plans and specifications. It shall be the duty of the inspector to carefully observe the progress of the work under the contract and report to the County Commissioners from time to time; and to represent and faithfully protect the interest of the County Commissioners and of the special taxpayers in said district during the performance of any contract, and he may order when so authorized by written order of the County Commissioners changes in the contract and work, and County Commissioners shall have the power upon the request of the inspector, or otherwise, to order the work suspended if the contractor is in their judgment not performing the same according to the plans and specifications or in a manner that will not give the public service designed to be rendered by the sewer or water mains or otherwise contracted for. And at the completion of the work by the contractor the inspector shall notify the County Commissioners that the work is completed. The County Commissioners shall thereupon give notice to the persons who made the deposit aforesaid and the petitioners, by mail, that they have been so notified by the inspector, and will, unless objection be had within a week, order the inspector to sign and deliver to the Treasurer of the county the special tax bills hereinafter provided for a sufficient number of which said special tax bills to cover the contract price of the work shall be delivered by said Treasurer to the parties in whose favor they are issued for collection, and the balance, a sufficient number to cover the other expenditures authorized under this act, shall be issued in said Treasurer's favor for collection, to be disposed of by him and the proceeds therefrom by him paid to the parties entitled thereto,
