CHAPTER 655.

AN ACT to authorize the Commissioners of Thurmont, in Frederick county, to borrow an amount not exceeding the sum of four thousand dollars for the purpose of purchasing and having installed an engine or other power, auxiliary to the water power now used in running and operating the electric lighting plant of said town, and to issue the bonds or notes of said Commissioners of Thurmont, a municipal body corporate, for the amount so borrowed.

WHEREAS, It is represented that the Commissioners of Thurmont did purchase and take over the electric light and power plant authorized to be purchased and taken over by the Act of the General Assembly of Maryland of the Session of 1910, Chapter 9, and which plant is run by water power furnished by Big Hunting Creek; and,

WHEREAS, Said plant has been satisfactory in furnishing light to said town and the citizens thereof, except during a protracted drought in 1910 and a shorter drought in 1911, when,
