

label on the exterior of said mattresses and other articles of manufacture, describing by name each and every material used for filling or stuffing purposes, and contained therein. The said label shall be of linen paper or some other white manufactured fabric, shall be in size $2\frac{1}{2} \times 3$ inches, and shall have every article used in the manufacture of said mattress or other article plainly printed or written in the English language on said label, so that the purchaser can read the same; and in case said purchaser cannot read, the seller shall read said label to him, and such label shall be a guarantee of the material used in the manufacture of the article sold, and shall remain on said mattress when sold and delivered. Any person offending against the provisions of this sub-title of this article of the code shall be deemed guilty of a misdemeanor, and on conviction before a justice of the peace shall be fined for each offense not less than twenty-five nor more than fifty dollars, and in default of payment be committed to a jail for not less than ten nor more than thirty days, unless sooner discharged by payment or by due process of law. No manufacturer or seller of said articles shall be required to state on said label the quantity of the different materials used, but only the character and quality.

State Vaccine Agency.

1904, art. 43, sec. 40. 1888, art. 43, sec. 25. 1864, ch. 269, sec. 1.
1872, ch. 257, sec. 1.

53. A state vaccine agency is established; said agency to be located in the city of Baltimore, in which place shall be kept, at all times, a supply of fresh and pure vaccine virus, if practicable, not more than four removes from the cow, for the use of the physicians residing and practising medicine and surgery in this State.

See note to sec. 55.

Ibid. sec. 41. 1888, art. 43, sec. 26. 1864, ch. 269, sec. 2.

54. The governor, by and with the advice and consent of the senate, shall, once in six years, appoint, as State vaccine agent, one physician of good character and standing, whose duty it shall be to keep on hand, and to procure as often as may be necessary, pure vaccine virus, and to furnish such virus to the physicians of the State, gratuitously, when called for; he shall keep a record of the name and location of each physician so furnished with virus, together with the quantities, qualities and number of times; he shall be required to advertise once a month in one or more of the newspapers published in the city of Baltimore, and once during the year (three insertions) in one paper of each county; he shall, for his services as state vaccine agent, receive an annual salary of six hundred dollars, and to defray the expenses incurred by him in procuring reliable vaccine virus; and to further carry out the provisions of this section the additional sum of fourteen hundred dollars is hereby appropriated; said salary to be paid in quarterly instalments as other state officers are now paid; and it shall
