

Maryland prior to June, 1892, and who registered as practitioners of medicine prior to July, 1894.

A physician held to have been in active practice so as to entitle him to a permit for registration under this section, provided the president of the board to whom application is made is satisfied as prescribed in this section. That the applicant had no diploma is not a good ground for the refusal of the permit. Failure to register under the act of 1894, ch. 217. *Mandamus granted. Manger v. Board of Examiners, 90 Md. 666.*

See notes to sec. 112.

1904, art. 43, sec. 95. 1894, ch. 217, sec. 55.

124. All persons who have commenced to practise medicine or surgery in the State of Maryland since the first day of June, 1892, or who shall hereafter commence to practise medicine or surgery in this State, shall not be entitled to be registered in the registry of physicians and surgeons, as required by law, except upon filing with the clerk of the circuit court of the county or city in which he or she shall reside, a license from one of the duly constituted boards of medical examiners of this State, in accordance with the terms of sections 117 and 118, except that physicians and surgeons who have come into this State since said first day of June, 1892, or who shall hereafter come into this State to follow the practice of medicine and surgery, may receive a license, which shall entitle them to be registered as physicians and surgeons, in accordance with law, upon application to one of the duly constituted boards of medical examiners, in accordance with the provisions of section 125 of this sub-title.

Cited but not construed in *Manger v. Board of Examiners, 90 Md. 666.*

Ibid. sec. 96. 1894, ch. 217, sec. 56. 1896, ch. 194.

125. Physicians and surgeons of good moral and professional standing who shall hereafter come into this State with intent to follow the practice of medicine and surgery within this State, being graduates of a medical college or university of good standing, or having a certificate or license from a board of medical examiners of any State where the requirements for practice are equal to those required by the board named in this sub-title, may make application to the president of either board of medical examiners of this State, which application shall be made under oath, and shall state when and how long such applicant has been engaged in the practice of medicine and surgery, and from what medical college, university or other institution of learning he or she has graduated. And thereupon, the board of medical examiners shall have the authority and discretion to require applicants to undergo an examination, in accordance with provisions of sections 110 to 116, inclusive, or may require said applicant to submit to a special examination, the terms and methods of which shall be prescribed by the board of medical examiners, and upon paying the fee for examination, as set out in section 115. After the examination and determination of said board, thereupon, that said applicant is qualified to practice medicine and surgery and that he is entitled to a license, a license shall be issued to
