1904, art. 43, sec. 174. 1904, ch. 226, sec. 5.

213. The board of examiners shall have power to appoint sub-boards of examiners in such cities and villages of this State as they in their judgment shall deem necessary. Said sub-boards shall each consist of one master barber and one journeyman barber, and shall possess the same qualifications, receive the same compensation, and have the same power as the said board of examiners of the State of Maryland, while conducting the examination hereinafter provided for; said sub-boards shall be subject at all times to the jurisdiction and control of the "Board of Barber Examiners of the State of Maryland," and shall serve during the pleasure of said state board. The sub-boards shall report the result of their examinations without delay to the state board of examiners, and the latter shall issue certificates of qualification to the persons who have qualified in said examinations.

Ibid. sec. 175. 1904, ch. 226, sec. 6.

214. No person shall hereafter practice the occupation of a barber in this State unless such person shall have first received a certificate of qualification from the board of examiners provided for in section 209, for the purpose of examining applicants for certificates of qualification as barbers. The said board of examiners shall appoint the time and places for holding examinations. Such appointment shall be made with due regard to the convenience of the applicants and the public service. Said board of examiners shall prescribe the mode and manner of conducting such examinations, said state board to conduct examinations, or said board may designate a sub-board to conduct such examinations. Said board of examiners is authorized to incur all expense necessary to carry out, in a prompt and efficient manner, the provisions of this sub-title, and to pay the same out of any money in the hands of the treasurer of said board; except, however, said board of examiners shall not incur any expense or obligation for which the State of Maryland shall be liable.

There is a conflict between this section and section 221. The latter exempts from the operation of the former all who were occupied or working as barbers in this state at the time of the passage of the act of 1904, ch. 226. State v. Tag, 100 Md. 590.

Ibid. sec. 176. 1904, ch. 226, sec. 7.

215. Each person filing his application for examination shall pay to the treasurer of the said board of examiners the sum of five dollars, which sum shall be returned in case said applicant shall fail to pass said examination. Such payment shall constitute a part of the fund to pay the compensation and expenses of said board. The board shall keep a list of the names and places of business of all persons to whom
