

1908, ch. 365, sec. 5.

28. The state live stock sanitary board is hereby charged with the enforcement of sections 24 to 28, and is authorized to see that their provisions are obeyed and to make from time to time such rules and regulations as may be necessary and proper for their enforcement.

1910, ch. 466, sec. 1 (p. 166).

29. All tuberculin, mallein or other biological products used for the testing or immunizing of animals sold, given away or used within the State shall bear a label, stating the name and address of the person, firm or institution making it, and the date of its preparation.

1910, ch. 466, sec. 2 (p. 166).

30. All persons selling or giving away any of the above-mentioned products shall report monthly to the director of the state laboratory for biological products the amount of each sold or given away, the degree of strength of same, the name and address of the person to whom sold or given, and the date of delivery. Said report shall include the address of and be signed by the person making the report.

1910, ch. 466, sec. 3 (p. 166).

31. Persons buying or procuring any of the above-mentioned products shall not use or dispose of the same until assured in writing by the person from whom the tuberculin is received, that its delivery to said person has been reported to the director of the state laboratory for biological products, or unless they have themselves reported its receipt to the said director, with information required to be furnished by those who distribute such products; and such persons buying or procuring such products shall keep a correct record of the amount received, the amount used and the amount on hand, and shall report these facts whenever any of these products are used; and if at any time any of these products left on hand are not deemed fit for use, or are not to be used, said person shall forward the same to the director of the state laboratory for biological products, with a statement of where and when procured, the amount procured at the time, the amount used, and his name and address. If the amount forwarded to the director of the state laboratory for biological products, and the amount used, do not total the amount procured or purchased, a satisfactory statement shall be made as to what became of the remainder.

1910, ch. 466, secs. 4, 5, 6 (p. 167).

32. No person shall treat any animal with any material or substance nor in any manner for the purpose of preventing normal reaction on the part of such animal to the tuberculin, mallein or other test. No person shall knowingly sell or offer for sale any animal that has reacted to the tuberculin, mallein or other test, without giving information of such reaction to the purchaser. No animal that has reacted to the tuberculin, mallein or other test shall be sold or removed from the
