

premises where the test was made without permission in writing from the state veterinarian.

1910, ch. 466, sec. 7 (p. 167).

**33.** The selling, giving away or distribution of vaccines, or biological products containing living organisms, to be used for the immunizations of the cattle against tuberculosis, glanders or other diseases of live stock, is hereby prohibited, except as hereinafter provided:

On order of a doctor of medicine or graduate veterinarian, who has been admitted by the representative State boards to practice in Maryland, in either case the doctor or veterinarian shall accompany the order for the material, with a statement containing the name and address of the owner of the animals it is proposed to treat, and the object of the treatment; and the said doctor or veterinarian shall state over his signature that he will be personally responsible for the proper use of the vaccinating material or other biological product. The original of the order shall be kept on file by the vendor or distributor, and a copy of the same shall immediately be filed by him with the director of the state laboratory for biological products. The person, firm or corporation shall report the receipt of the material to the director of the state laboratory for biological products, along with a list of the animals it is proposed to treat, giving their ages and such description of each as will enable the state veterinarian, or his representatives, to identify the same.

1910, ch. 466, sec. 8 (p. 168).

**34.** The sale or distribution of milk or milk products from any animals treated with the vaccine or other biological products containing living organisms, within six months of the date of their last dose or injection of such material, is hereby prohibited, except with the written consent of and under such conditions as may be determined by the director of the state laboratory for biological products.

1910, ch. 466, sec. 9 (p. 168).

**35.** The director of the state laboratory for biological products may, with the consent of the state veterinarian, authorize such persons not connected with the state laboratory, as they deem qualified to make experiments with these materials, and such shall not be considered a violation of sections 29 to 36.

1910, ch. 466, sec. 10 (p. 168).

**36.** Any person, firm or corporation violating any of the provisions of sections 29 to 36 shall be guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than \$25, or more than \$100, or by imprisonment for not less than one week or more than six months; or by both such fine and imprisonment, in the discretion of the court.
