

board, and a part of the appropriation—about one-half—to be hereinafter provided, shall be used for maintaining such a department or school.

See sec. 131. *et seq.*; also, sec. 193.

1904, art. 77, sec. 140. 1898, ch. 273, sec. 6. 1910, ch. 210, sec. 140 (p. 232).

143. Whenever any such colored industrial school is opened in any county the president and secretary of the board of county school commissioners of said county shall report the fact to the secretary of the state board of education, and the state board of education shall, without delay, proceed to appoint a proper person, well qualified for such inspection, to visit the said school and give a certificate of approval of its condition and the plan upon which it is conducted to the said state board of education on or before the tenth of September following the inspection; and said colored industrial school shall be inspected annually thereafter by the state superintendent of public education, or by some person to be designated by him, and the result of such inspection shall be submitted to the state board of education not later than the fifteenth day of July of each year. The state board of education shall submit annually to the comptroller of the State on or before the twentieth day of September a list of such schools entitled to receive the special appropriation for industrial education.

Ibid. sec. 141. 1898, ch. 273, sec. 7. 1910, ch. 210, sec. 141 (p. 233).

144. The comptroller of the treasury, upon receiving the certificate of approval from the state board of education, is hereby authorized and directed to issue his warrant upon the treasurer of the State for the sum of fifteen hundred dollars, payable to the order of the treasurer of the board of county school commissioners having inaugurated such a colored industrial school and same approved by the state board of education, out of any money in the state treasury not otherwise appropriated, on the first day of October of each year; one part of said appropriation—about one-half—to be used for the support of one colored industrial school in the county, and the other part—about one-half—shall be used by the board of school commissioners of the county where said colored industrial school is located, for the employment of a capable and trained supervisor of colored schools, who shall be required to visit, under the direction of the county superintendent, all the colored schools of the county as often as said county superintendent may direct, and cause instruction of an industrial character to be made a daily part of the work of every colored school. The management and control of such an industrial school and the employment of a supervisor shall be in the hands of the board of county school commissioners of the county where such school is located.

Ibid. sec. 143. 1898, ch. 273, sec. 9. 1910, ch. 210, sec. 143 (p. 233).

145. No appropriation for the full amount of fifteen hundred dollars, hereby authorized for the support of one central colored industrial
