13. It shall be the duty of the person or officer having charge of the vital statistics of any city or county to furnish the board of supervisors of elections monthly a report of the name and previous residence of every male person over twenty-one years of age who shall have died during the preceding month, and said board shall, immediately before the registration or revision thereof in each year, cause to be arranged alphabetically, and as near as possible according to wards in the cities and according to election precincts in the counties, the names and late residences of all such deceased persons and have the same printed and furnish a copy of said printed list to each member of the board of registry of such wards or precincts for their guidance.

Ibid. sec. 14. 1896, ch. 202, sec. 13. 1902, ch. 545. 1910, ch. 546 (p. 103).

14. Said board of supervisors shall give ten days' notice of the time and place of registration, and of revision thereof, and of elections in each precinct of such county or city, by handbills set up in the most public places in such precinct, and also in the counties, by advertisement in two newspapers (one of which newspapers, if possible, shall be of opposite political faith from that of the majority of said supervisors) of general circulation therein, except in Howard county, where the supervisors of election may publish in one newspaper the notice above required, and in the city of Baltimore, by advertisement in all the daily newspapers which will publish the same at their current rate of advertising. And the sheriff of Baltimore city and of each county shall no longer publish such notices of election. Said board shall make all necessary rules and regulations not inconsistent with this article, with reference to the registration of voters and the conduct of elections, and they shall have charge of and make provision for all elections, general, special, local, municipal, State and county, and for all others of every description, to be held in such city or county, or any part thereof, at any time; all questions shall be decided by a majority of the board, unless otherwise expressly provided in this article; provided, however, that in any incorporated city or town in this State (other than the city of Baltimore) in which the municipal or charter elections thereof are now regulated by the public local laws of the State, the conduct of such municipal or charter elections shall continue to be so regulated as heretofore, and such public local laws shall continue in force therein.

The act of 1896, ch. 202, did not repeal the local act of 1894, ch. 533, relative to elections in the city of Annapolis. The judges of election must be controlled, however, in the execution of their duties and in the conduct of elections by the former act, and they are subject to the penalties provided thereby. *Jones v. Monroe*, 86 Md. 334.
