 ch. 152. 1914, ch. 631.

**178.** It shall be the duty of the insurance commissioner:

*First.* To see that all laws of this State relating to insurance or insurance companies are faithfully executed; to keep on file in his office copies of the charter, declaration of organization or deed of settlement of every insurance company, including partnerships, joint stock associations and corporations organized under the laws of this State, or organized under the laws of some other State or nation, and applying to do business in this State, which copies shall be duly certified in accordance with the laws by the secretary of State or other proper officer of the State or nation wherein such companies are organized; and the insurance commissioner shall, upon application of any such company or association, furnish them with certified copies of their charter so filed in his department.

*Second.* To furnish in December of each year to the companies required by this article to report to him the necessary blank forms for the statements required; and as soon as practicable in each year, he shall cause to be calculated by the actuary of his department, under his supervision, the net value, on the thirty-first day of December of the previous year, of all the policies and additions thereto, and all obligations for the payment of annuities in force on that day of each life insurance company doing business in this State organized by authority of this State, and every other life insurance company doing business in this State, that shall fail to furnish him, as hereinafter provided, from the insurance commissioner of the State by whose authority the company was organized, or of the State in which it may elect to have its policies valued and its deposits made; in case the company is chartered by the government of the United States, or by any foreign government, or by any State not having an insurance department, a certificate giving the net value of all policies in force in the company on the thirty-first day of December of the preceding year, which calculation of the net value of the policies in force shall, for all policies issued on or before the thirty-first day of December, in the year 1902, be based upon the "American Experience Table of Mortality," and four and one-half per cent. interest *per annum*, and for all policies issued subsequent to said thirty-first day of December, in the year nineteen hundred and two, upon the actuaries' table of mortality, and four per cent. interest *per annum*; provided, that the insurance commissioner may, upon the request of any company, cause all the policies of such company to be valued upon the latter basis; and provided further, that
