

ond year of study, who have, as verified by the certificate of the dean of the college which they have attended, completed the studies of anatomy, physiology, medical chemistry and materia medica in said college, shall on application be examined in such studies by the State licensing board, the result of said examination to be considered as part of the final examination, the full regular fee to be paid at this time, no part thereof to be returned, but placed to their credit for the remainder of the examination yet to be taken. Medical students who have, as verified by the certificate of the dean of the college which they have attended, completed a full four years' course of studies and lectures, but who have not yet received their diplomas, shall upon application be examined in all the branches enumerated in Section 111 of this Article by the State licensing board, the final certificate and license of the said board being withheld until the diploma of the proper medical college, with the candidate's name inscribed, be produced to the secretary of the board. Diplomas presented by graduates of foreign colleges may be accepted if the standards of such foreign colleges were, when such diploma was issued, equivalent to the standard defined by the Association of American Medical Colleges or the Intercollegiate Committee of the American Institute of Homeopathy, respectively.

See notes to this section (as it stood in 1911) in volume 1 of the Annotated Code.

State Veterinary Medical Board.

1914, ch. 842.

150. From and after April 16, 1914, any person shall be regarded as practicing Veterinary Medicine and Surgery in the State of Maryland who shall, in said State, append or cause to be appended to his name the letters V. S., D. V. M., V. M. D., M. D. V., M. D. C., D. V. S., or M. R. C. V. S., or the words "veterinary," "veterinarian," "veterinary surgeon," "veterinary dentist," "veterinary farrier," "veterinary horseshoer," "horse dentist" or "horse doctor," or who shall prescribe, advise, or apply any drug or medicine or other agency, for the relief or cure of any sick, diseased or injured animal, or who shall publicly profess to do any of these things, and who charge or receive therefor money or other compensation, directly or indirectly; provided, however, that any person may without compensation apply any medicine and perform any operation for treatment, relief, or cure of any sick, diseased or injured animal. Provided further, however, sections 150 and 150A shall not apply to those persons who have been engaged in the practice of gelding, but they shall be at liberty to continue the said practice without registering with the State Veterinary Medical Board.
