

of the same shall immediately be filed by him with the director of the State laboratory for biological products. The person, firm or corporation shall report the receipt of the material to the director of the State Laboratory for Biological Products, along with a list of the animals it is proposed to treat, giving their ages and such description of each as will enable the State veterinarian, or his representatives, to identify the same.*

1910, ch. 466, sec. 8 (p. 168). 1912, ch. 701, sec. 8.

34. The sale and distribution of milk or milk products from any animals treated with the vaccine or other biological products containing living organisms, within six months of the date of their last dose or injection of such material, is hereby prohibited, except with the written consent of and under such conditions as may be determined by the director of the State Laboratory for Biological Products.*

1910, ch. 466, sec. 9 (p. 168). 1912, ch. 701, sec. 9.

35. The director of the State Laboratory for Biological Products may, with the consent of the State veterinarian, authorize such persons not connected with the State laboratory, as they deem qualified to make experiments with these materials, and such shall not be considered a violation of sections 29-35.*

1910, ch. 466, sec. 10 (p. 168). 1912, ch. 701, sec. 10.

36. Any person, firm or corporation violating any of the provisions of sections 29-35 shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than \$25 or more than \$100, or by imprisonment for not less than one week or more than six months; or by both such fine and imprisonment in the discretion of the Court.*

1912, ch. 842.

37. The State Board of Agriculture shall establish, equip and supervise a biological laboratory for the production, testing or standardizing of tuberculin, mallein, hog cholera serum and other biological products needed for diagnosing, preventing, immunizing against or curing diseases among live stock in the State of Maryland, and to investigate and test biological methods and products that have apparent value in treating diseases among live stock.

1912, ch. 842.

38. The director of the Maryland Agricultural Experiment Station shall be the director of the State Laboratory for Biological Products, and the State Board of Agriculture shall on nomination by the said director, appoint such persons as may be necessary to carry on the work of preparing, distributing or using the products of the laboratory for the diagnosis, prevention, immunization or treatment of dis-

*The act of 1912, chapter 701, went into effect September 1, 1912.
