

1914, ch. 802.

9. If any inspector shall be informed or has reason to suspect that any person, firm or corporation is using, or has in his, her, their or its possession with fraudulent intention any false beams or scales, or weights, or measures, he shall examine the same, and if he finds them, or any of them to be false he shall seize the same as a forfeiture, and adjust, and sell them at public auction; and shall annually return a statement of the money received therefor under oath to the County Commissioners of the County for which he is appointed, or the Comptroller of Baltimore City, if appointed for said city.

1914, ch. 802.

10. If any weight or measure which shall have been stamped or branded as required by provisions of this Article, shall be broken, injured, altered, or changed, or condemned by any inspector, and shall be found thereafter in the use of any person, firm or corporation, or agent, employe, or officer, of any person, firm, or corporation, within this State, such person, firm, or corporation, or agent, employe, or officer of such person, firm or corporation, shall be fined twenty dollars for each and every offense; provided that this Section shall not apply to the standard quart berry box or basket, nor to the standard barrel for the measurement in this State of green peas or beans in the hull.

1914, ch. 802.

11. Each inspector for the several Counties shall receive compensation for the discharge of his duties as the County Commissioners of the County for which he is appointed shall think proper to allow, which shall be levied on the assessable property of said County, and collected as other County charges. And the inspectors appointed for Baltimore City shall receive compensation for the discharge of their duties as is now, or may hereafter be, provided by the Mayor and City Council of said city.

1914, ch. 802.

12. Whenever any inspector shall be applied to adjust scales, weights and measures by adding to or diminishing the same, or to adjust scales and beams he shall be allowed an additional reasonable compensation therefor to be paid by the party so applying for his services.

1914, ch. 802.

13. The units or standards of measures of capacity for liquids designated in this Article shall be based on a liquid gallon, or two hundred and thirty-one cubic inches; thirty-one and one-half gallons equaling one barrel, and two barrels one hogshead, continual divisions of the gallon by two, equalling half-gallons, quarts, pints, half-pints and gills.
