629C. The Governor of the State may from time to time, at the request of the authorities having control and jurisdiction over the jail of any other town or city or of any county in this State, assign to work upon said farm as many of the prisoners confined in the jails under their respective jurisdiction as are physically able to work on said farm and as are available for such work.

1917, ch. 15, sec. 629D.

629D. The State Board of Prison Control shall provide for the guarding, transportation, lodging, feeding, clothing and medical and other care and attention of all such prisoners, or make such arrangements therefor as it may deem adequate and proper; and may make such rules and regulations as may be necessary or proper to carry out the provisions of sections 629A to 629J.

1917, ch. 15, sec. 629E.

629E. The State Board of Prison Control may set aside for each prisoner working upon said State farm, such sum as it may deem proper, not exceeding, however, the sum of fifty cents per day for each and every day that such prisoner is so employed; and the Board may hold such payments to the credit of the prisoner for whose account the same are made, and pay the same to him or her upon his or her release or discharge; or the said Board may, in its discretion, from time to time, pay such portion of said payments as it may deem proper to any person or persons who are dependent upon said prisoner, if found to be in need by the said Board, and hold the balance of such payments to the credit of the prisoner. The Board may make such rules and regulations with respect to the disbursement of said payments as may be necessary or proper.

1917, ch. 15, sec. 629F.

629F. All prisoners working upon said State farm under sections 629A to 629J, shall be entitled to the same deductions or allowances for good behavior, observance of discipline and rules and for diligent and faithful labor, and shall be subject to the same forfeitures or punishments for the lack or violation thereof, as such prisoners are now entitled to or are subject to under the laws of this State; and in addition to such forfeitures or punishments any prisoner employed on said State farm who escapes or attempts to escape shall be guilty of a misdemeanor, and shall be confined for an additional term, in the discretion of the court, not exceeding one-half of the entire term for which such prisoner had been sentenced prior to his or her escape or attempted escape; or such prisoner shall in the discretion of the Court, be subject to any penalties which may be by law provided for prisoners escaping or attempting to escape from the institution to which he or she had previously been committed.
