

shall cause an examination to be made of said warehouse and, if it be found by it to be in a proper sanitary condition and otherwise properly equipped for its intended use, it shall issue a license authorizing the applicant to operate the same as a cold storage warehouse during one year. The license shall be issued upon payment by the applicant of a license fee of twenty-five dollars to the treasurer of the state.

1916, ch. 163.

177K. In case any cold storage warehouse, or any part thereof, shall at any time be deemed by the Secretary of the State Board of Health to be in an unsanitary condition, or not properly equipped for its intended use, it shall notify the licensee of such condition and upon the failure of the licensee to put such cold storage warehouse in a sanitary condition or to properly equip the same for its intended use, within a time to be designated by the Secretary of the State Board of Health, it shall revoke such license.

1916, ch. 163.

177L. Every such licensee shall keep accurate records of the articles of food received in and of the articles of food withdrawn from his cold storage warehouse, and the Secretary of the State Board of Health shall have free access to such records at any time. Every such licensee shall submit a monthly report to the Secretary of the State Board of Health, setting forth in itemized particulars the quantities and kinds of articles of food in his cold storage warehouse. Such monthly reports shall be filed on or before the fifth day of each month, and the reports so rendered shall show the conditions existing on the last day of the preceding month reported and a summary of such reports shall be prepared by the Secretary of the State Board of Health and shall be open to public inspection on or before the tenth day of each month.

1916, ch. 163.

177M. The Secretary of the State Board of Health shall inspect and supervise all cold storage warehouses and make such inspection of articles of food therein as it may deem necessary to secure the proper enforcement of this sub-title, and it shall have access to all cold storage warehouses at all reasonable times. The Secretary of the State Board of Health may appoint such persons as it deems qualified to make any inspection under this sub-title.

1916, ch. 163.

177N. No article of food intended for human consumption shall be placed, received knowingly or kept in any cold storage warehouse, if diseased, tainted, otherwise unfit for human consumption, or in such condition that it will not keep wholesome for human consumption. No article of food, for use other than for human consumption, shall be placed, received or kept in any cold storage warehouse unless previously
