

1916, ch. 373.

74H. The State Board of Agriculture shall keep records of all work performed in carrying out the provisions of this sub-title, and shall report same as is required for its other activities.

1916, ch. 373.

74 I. The State Board of Agriculture shall fix the compensation of its duly authorized officer or agent and control the expenses thereof, and provide for the expenses incurred in carrying out the provisions of this sub-title, from any monies appropriated by the State to said Board.

Agricultural Lime.

1912, ch. 176, sec. 93. 1916, ch. 186. 1916, ch. 285, sec. 91.

91. Before any agricultural lime is sold, offered or exposed for sale in this State, the manufacturer, importer, agent or seller thereof shall pay to the State Chemist at the Maryland State College of Agriculture an inspection fee of \$15.00 for each brand or kind of agricultural lime sold or offered for sale and shall receive from said State Chemist a license to sell such brand or kind of agricultural lime until the first day of January next following; provided that when any manufacturer, importer, agent or dealer shall have paid the inspection fee as herein provided it shall not be necessary for any other person as his agent or representative to pay such fee.*

1912, ch. 176, sec. 95. 1916, ch. 186. 1916, ch. 285, sec. 93.

93. The State Chemist of the Maryland State College of Agriculture shall annually analyze or cause to be analyzed at least one sample of every agricultural lime sold or offered for sale under the provisions of this sub-title; said State Chemist is hereby authorized and directed in person, or by deputy, to take a sample for said analysis from any lot or package of agricultural lime which may be in the possession of any manufacturer, importer, agent or dealer; or in transit in this State. The result of the analysis of the sample or samples so procured, together with such additional information as circumstances advise, shall be published in reports or bulletins from time to time.

1912, ch. 176, sec. 97. 1916, ch. 186. 1916, ch. 285, sec. 95.

95. It shall be the duty of the State Chemist to pay into the Treasury of the Maryland State College of Agriculture all monies received under Section 91 of this sub-title, to be used for paying the expenses of the sampling, analysis and other expenses incident thereto.
