1904, ch. 584. 1916, ch. 506, sec. 55.

**55.** The certificates hereafter to be granted shall be:

(1) A certificate in administration and supervision, valid throughout the State for three years, renewable on evidence of successful experience and professional spirit and required of all county superintendents, may be issued to persons who are graduates of a standard college or university, or who have had the equivalent in scholastic preparation; who have completed in addition one graduate year's work in education at a recognized university, including public school administration, supervision and method of teaching, or who have had the equivalent in scholastic preparation, and who have had two years' experience as a teacher.

(2) A certificate in elementary school supervision, valid throughout the State for three years, renewable on evidence of successful experience, and required of assistant superintendents and supervisors, may be granted to persons who are graduates of a two years' standard normal school, or who have had the equivalent in scholastic preparation; who have completed in addition two full academic years' work at a standard college or university, not less than a one-half of which has been in academic branches related to the elementary school and the remaining one-half in advanced elementary school methods and supervision, or who have had the equivalent in scholastic preparation, and who have had four years of teaching experience in elementary schools. Such a certificate may also be granted to persons who are graduates of a four years' course of a standard college or university, who have completed one full year's work at a recognized college or university in education including elementary school methods and supervision, and who have had four years teaching experience in elementary schools.

(3) A certificate in supervision (special), valid throughout the State for three years, renewable on evidence of successful experience and professional spirit, and required of special supervisors in physical training, music, fine and applied arts, domestic art and science, manual or industrial training, or agriculture, may be granted to persons who have completed a four years high school course or the equivalent; who have had four years of additional work of a college grade, approximately one-half of which was in general academic subjects, and approximately one-half of which was in the special branch or branches for which the certificate is issued, including not less than three hundred recitation hours in the theory of education and in the art of teaching and supervising their particular specialty, and who have had four years of experience in teaching, two of which were in their specialty.
