82L. In case of a vacancy in a position requiring peculiar and exceptional qualifications of a scientific, professional or expert character, upon satisfactory evidence that competitive examination is impracticable, and that the position can best be filled by the selection of some designated person of recognized attainments, the board may, after public hearing and by affirmative vote of all three members, suspend competition, but no suspension shall be general in its application to such position, and all such cases of suspension shall be reported, together with the reasons therefor, in the annual reports of the board.

Examinations shall be in charge of the chief examiner, unless otherwise directed by the Board of Examiners. The board may call on any persons to draw up, conduct or mark examinations, and when such persons are connected with the State or County service, it shall be deemed a part of their official duties to act as examiners without extra compensation.

Such notice shall be in writing, and shall state the reasons for such removal, and the person affected may reply thereto. Such papers or copies thereof shall be delivered to the Board of Examiners, and shall be kept by them as a part of their records.
