

period of twelve months from the time of such conviction, nor shall a license be obtained by any other person or persons to carry on said business on the premises or elsewhere, if the person, so as aforesaid convicted, has any interest whatever therein, or shall derive any profit whatever therefrom; and in case of being convicted more than twice for a violation of this section, such person or persons on each occasion shall be imprisoned for not more than sixty days, and fined not more than double that imposed on such person or persons on the last preceding conviction; and his, her or their license, if any was issued, may be declared null and void by the Court, and no new license shall be issued to such person or persons for a period of two years from the time of such conviction, nor to any one else to carry on said business wherein he or she is in anywise interested, as before provided for the second violation of the provisions of this section.*

1914, ch. 802. 1916, ch. 375.

19. The Standard barrel for the measurement of all green peas, or beans in the hull for which a heaping measure is now given, shall be of the following dimensions, namely: diameter of said barrel at the top shall be eighteen and three-fourth inches inside the staves, the diameter at the bottom inside the staves shall be sixteen and one-fourth inches, and the depth of said barrel shall be twenty-six inches inside, and to contain in all six thousand two hundred and fifty-three and three-fourth cubic inches, measurement by said barrel to be struck measure. The dimensions of any barrel so used shall be stamped by the inspector of weights and dry measures of the City of Baltimore upon the same in three conspicuous places, and any person using a barrel for the measurement of peas, beans and like farm products without being so stamped shall be fined not less than one hundred dollars nor more than five hundred dollars, said fines to be collected as other fines are now collected.

Apples.

1916, ch. 627, sec. 1.

29. The standard grades or classes for apples grown in this State, when packed in closed packages, shall be as follows:

(a) "Maryland standard fancy grade" shall consist of apples of one variety, which are well grown specimens, hand-picked, properly packed, of good color for the variety, normal shape, free from dirt, diseases, insect and fungus injury, bruises and other defects except such as are necessarily caused in the operation of packing; or apples of one variety which are not more than five per centum below the foregoing specifications on a combination of all defects or two per centum on any single defect.

*Section 2 of the act of 1916, chapter 529, provides for the repeal of all acts and parts of acts inconsistent with said act of 1916.
