

(H). The Director of Health is hereby authorized to contract for the printing of tags required by the provisions of this Section 64. The Director of Health shall, upon the application to him by any person, furnish tags, with the name and address printed thereon of the maker, remaker, or renovator of any article covered by this Section 64, in quantities of not less than one thousand tags, for which the applicant shall pay ten dollars for each one thousand tags.

All fees collected under the provisions of this Section 64, shall be paid to the Director of Health, and, when so collected and paid, shall thereafter be by said Director of Health, placed in a separate fund, to be known as the Bedding Fund, into which all moneys collected under the provisions of this Section 64 shall be paid, and from which all expenditures necessary in carrying into effect the provisions of this Section 64 shall be paid.

All moneys in the Bedding Fund, from time to time, are hereby specifically appropriated to the Department of Health, for the purpose of carrying into effect the provisions of this Section 64, and for the payment of salaries and expenses of inspectors, employees, and for research, or any other necessary expenses of said Department of Health, connected with the enforcement of this Section 64.

(I). It is the intent of this Section 64 to prevent both the manufacture and the sale within this State, of any of the articles enumerated in subsection E of this Section 64, except in conformity to and in compliance with the provisions of said Sub-section E. Inasmuch, however, as some of the articles so enumerated may be made, or the material used in the manufacture or renovation thereof may be processed, outside of the limits of this State, it is hereby expressly provided, that where the person or concern so manufacturing any such article or processing any such material shall so have or operate his or its plant outside of the limits of this State, the Director of Health may in his discretion in lieu of a physical inspection of the plant of such non-resident person or concern satisfy himself by examination of the product so made or processed by such non-resident or by such other means as said Director of Health may deem adequate, of the propriety of issuing to such non-resident, the permit required by the provisions of this Section 64, or of renewing or keeping in force a permit so issued. But in the event that at any time said Director of Health may deem it necessary to make physical inspection of any such plant or factory of said non-resident, then and in that event he shall be entitled and empowered to require the payment by such non-resident, of such sum as may cover the reasonable traveling charges entailed by such physical inspection, and to refuse to issue, or to revoke or suspend any permit, until or unless such charges are so paid.

(J). The Department of Health through its offices and employees, is hereby charged with the administration and enforcement of this Section 64.

(K). Any person violating any of the provisions of this Section 64, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be sentenced to pay a fine of not less than ten dollars and not more than fifty dollars for each offense, and, in default of the payment of such fine, to
