

of timothy, redtop, tall meadow oat grass, orchard grass, crested dogstail, Canada bluegrass, Kentucky bluegrass, fescues, brome grass, perennial and Italian ryegrass, western ryegrass, crimson clover, mammoth clover, red clover, white clover, alsike clover, sweet clover, alfalfa, and all other grasses and clovers not otherwise classified; (2) one in twenty-five grams of millets, rape, flax, and other seeds not specified in (1) or (3) of this sub-section; (3) one in one hundred grams of wheat, oats, rye, barley, buckwheat, vetches, and other seeds as large or larger than wheat.

For purposes of this sub-title, the following shall be defined as noxious weeds: garlic or wild onion (*Allium vineale*), Bermuda grass (*Cynodon dactylon*), quack grass (*Agropyron repens*), dodder (*Cuscuta species*), Canada thistle (*Cirsium arvense*), hawkweed (*Hieracium species*), and chicory (*Cichorium intybus*).

E: The approximate percentage of germination of such agricultural seeds together with the month and year said seed was tested; provided, however, that this statement shall not be a basis for prosecution under this sub-title; and provided further that the State Board of Agriculture shall be empowered to test and publish the results of such tests as herein provided, together with the month and year such test was made by said Board, together with the percentage of germination and date of test as shown on tag or label.

F: The full name and address of the person, firm or corporation assuming the responsibility, under the conditions of this sub-title, for the information placed on the tags or labels as required by this Section.

An. Code, sec. 101. 1918, ch. 200, sec. 101.

118. Mixtures of alsike and timothy, alsike and white clover, redtop and timothy, alsike and red clover, when sold, offered or exposed for sale as mixtures, and in lots of ten (10) pounds or more shall have affixed thereto, in a conspicuous place on the exterior of the container of such mixture of seeds, a plainly written or printed tag or label in the English language, stating:

A: That such seed is a mixture.

B: The name and approximate percentage by weight of each kind of agricultural seed present in such mixture in excess of five (5) percent by weight of the total mixture.

C: The approximate percentage by weight of weed seeds as defined in Section 117C.

D: The name of each kind of the seeds or bulblets of the noxious weeds listed in Section 117D, which seeds or bulblets are present singly or collectively in excess of one seed or bulblet in each fifteen (15) grams of such mixture.

E: The approximate percentage of germination of each kind of agricultural seed present in such mixture in excess of five (5) percent by weight, together with the month and year said seed was tested; provided, however, that this statement shall not be a basis for prosecution under this sub-title; and provided further that the State Board of Agriculture shall be empowered to test and publish the results of such tests as herein pro-
