

into an area in which bovine tuberculosis or other contagious disease eradication is being carried on until such cattle or other live stock have been subjected to a tuberculin test or other test or examination satisfactory to the said Board, and have been found by said test or examination to be free of tuberculosis and other contagious disease; and said Board is hereby further empowered to quarantine any animals that may have been brought into such area and require that they be tested as provided in Section 6 of this Article.

1924, ch. 202, sec. 5C.

8. The owner or his agent shall so secure animals as to make it possible for the agent of the Board to apply the test he deems necessary.

1924, ch. 202, sec. 5D.

9. Any owner or owners refusing or failing to comply with the provisions of Section 6, 7, or 8, or violating any of the provisions of said sections shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than \$5.00 nor more than \$25.00 for every day he shall be found to have failed to comply with any of said sections or violated any of the provisions of any of said sections.

An. Code, sec. 6. 1904, sec. 6. 1888, sec. 6. 1888, ch. 519, sec. 6. 1916, ch. 337.

10. Any person who shall violate or transgress the terms or requirements of any order or regulation issued and prescribed by the said State Board of Agriculture or its duly authorized officer under the authority of this Article, or shall refuse to said officer or his assistants access to his premises, farms, stables, cars, sheds or pens, or shall resist said officer of the State Board of Agriculture or his assistants in applying any of the quarantine orders or regulations or shall conceal the fact that contagious or infectious disease exists on his premises, shall be subject to a fine of not more than one hundred nor less than fifty dollars, which fine may be imposed by any station house Justice of the Peace of the City of Baltimore, or any Justice of any county where such offense may be committed.

An. Code, sec. 7. 1904, sec. 7. 1888. sec. 7. 1888, ch. 519, sec. 7. 1916, ch. 337.

11. It shall be the duty of (all persons practicing veterinary medicine in this State to report immediately to said Board all cases of contagious or infectious diseases among live stock which may come to their knowledge) every practitioner of veterinary medicine in Maryland, immediately upon receiving information thereof, to report to the State Board of Agriculture each case of any of the following diseases, namely: glanders, anthrax, blackleg or black quarter; contagious pleuro-pneumonia, or lung plague of cattle; rinderpest or cattle plague; hemorrhagic septicemia; foot and mouth disease, or apthous fever of cattle; southern cattle fever or Texas fever; sheep scab, mange of cattle or horses; hog cholera, or swine plague; fowl cholera; rabies or hydrophobia; maladie du coit, or dourine of horses; advanced or generalized tuberculosis or tuberculosis of the udder; or any other disease now or hereafter proclaimed by the State
