**196.** It shall be the duty of the State Superintendent of Schools, or an assistant designated by him, to make an annual inspection of all high schools receiving State aid, and also such other schools as make application, through their respective county superintendents, to receive said State aid. The State Superintendent of Schools shall, on or before the last day of February of each year, prepare a list of high schools, designating the group to which each belongs, the amount of said State aid to which each is entitled, and to whom the same shall be paid. The preparation of this list shall be based on information obtained through inspection, supervision, written reports of the principal or county superintendent, or other reliable sources. He shall certify this list to the Comptroller of the Treasury, on or before the last day of February of each year, and the Comptroller of the Treasury shall issue his warrant upon the Treasury of the State in equal quarterly installments in each and every year at the time when the general State school fund is now, or may hereafter be, distributed, payable to the orders of the treasurers of the respective County Boards of Education, or the Board of Commissioners of the Public Schools of Baltimore City, for such sum or sums as they are entitled to receive under the provisions of this Article, and shown by the certified list of high schools as aforesaid. Provided, that not more than one high school shall be granted State aid under the provisions of this Article in the same village, town or city, unless each additional high school has an average daily attendance in excess of two hundred pupils; provided that this provision shall not affect the right of schools on the approved list at the date of the passage of this Act to receive State aid; provided further that in case two high schools for white pupils are in the same city of any county of the State, neither shall receive more than two thousand five hundred dollars (\$2,500). Should any error in the amount of State aid for any high school be discovered after the original list is certified the State Superintendent of Schools shall correct his report by certifying the proper changes to the Comptroller. In the event that the amount due all high schools eligible for State aid exceeds the amount appropriated therefor, then the amount appropriated may be pro rated among such high schools.
