1918, ch. 441, sec. 172. 1929, ch. 152, sec. 235.

**235.** The principal teacher of every public school in the counties and the truant officers of the City of Baltimore shall, within thirty days from the beginning of the school year succeeding March 31, 1906, furnish the Board of County School Commissioners or the Board of Education of Baltimore City, as the case may be, with the names of all children who are deaf, blind or feeble-minded, between the ages of six and eighteen years, inclusive, living within the boundaries of his or her school district who do not attend school. And the Board of County School Commissioners or Board of Education of Baltimore City shall certify forthwith the names of all such deaf, blind, or feeble-minded children to the respective principals of the State Schools for such children. Such principal teachers and truant officers shall at the same time furnish to such Boards the names and addresses of all physically handicapped children between the ages of six and eighteen years, inclusive, living within the boundaries of his or her school district who do not attend school, and also a list of all such physically handicapped children who do attend school, and such Boards upon receipt of such information shall immediately report the same to the State Board of Education and to the State Board of Health.

1929, ch. 152, sec. 235A.

**235A.** It shall be the duty of the State Board of Health, upon receipt of information as to physically handicapped children, as provided for in Section 235 hereof, to immediately cause each such child to be examined and to be appropriately classified according to the nature and degree of his or her handicap. The State Board of Health shall at the same time designate which such children are physically unable to properly care for themselves without assistance and to properly or advantageously be educated in the regular public schools with normal children and shall recommend which such children ought to have clinical, therapeutic, or hospital treatment. When such classifications and recommendations shall have been made, the State Board of Health shall report the same to the respective school boards from which the names of such handicapped children were received, and also to the State Board of Education.

As to State Board of Health, see art. 43, sec. 1, *et seq.*

1929, ch. 152, sec. 235B.

**235B.** It shall be the duty of the State Board of Education to prescribe the equipment and curriculum of the special schools and classes which may be established for physically handicapped children in each of the counties of the State. It shall also be the duty of such Board, whenever it receives
