

from the State Board of Health classified lists of physically handicapped children as set forth in the next preceding paragraph, to classify such children according to their several needs with reference to the available school facilities existing in the city or county where they respectively reside. Wherever the City of Baltimore or any of the counties of the State shall provide special schools or classes for such physically handicapped children in accordance with the requirements, rules and regulations to be prescribed by the State Board of Education the city or counties so providing the same shall be entitled to receive from the State of Maryland, toward the cost of the special equipment, teachers, and attendants in such special schools and classes, the sum of \$2,000.00 for each such class; provided, however, that each such class shall be composed of not less than ten physically handicapped children and as many more than ten as the said Board may direct. The said Board shall ascertain the respective amounts the City of Baltimore and the counties shall be so entitled to receive from the State under this section, and when so ascertained shall certify the same to the State Comptroller, and such city or counties so receiving such financial aid from the State shall cause to be kept a record of the name and address of each such handicapped child so attending such special schools or classes, and of the number of days each such child attended such schools or classes, and of the cost of maintaining and operating the same, including therein meals, nursing, therapeutic treatment and transportation, wherever any of the same are furnished such children. The information so recorded shall be communicated by such city or counties to the State Board of Education on or before the first day of August in each and every year and shall be verified by said Board. The Governor of this State shall include in his annual budget such sum as he shall deem to be sufficient to meet the requirements of the State's obligation under the provisions of this section.

1929, ch. 152, sec. 235C.

**235C.** It shall be the duty of the State Comptroller, upon receipt of each such certificate from the State Board of Education, as provided for in Section 235B hereof, to draw his warrant on the State Treasurer, payable to such Board of School Commissioners, and for such sum as may be shown in such certificates, such warrant to be payable out of any available funds appropriated for that purpose, and the State Treasurer shall thereupon make payment accordingly; provided, however, that if there be not sufficient funds available to fully pay all such warrants, such funds as are so available shall be pro-rated amongst all such warrants in the proportion that the amount of each such warrant bears to the total amount of all such warrants, and the deficiency shall thereafter be made up when and as funds may be available therefor.
