

Payment of said taxes may be enforced by civil action in the name of the State of Maryland, and the amounts so assessed and collected by the Commission shall be paid into the State Treasury to reimburse the State for this portion of the expense of administering the Workmen's Compensation Law. And the Commission shall be and is hereby clothed with such power and authority to examine payrolls and require reports from employers and insurance carriers as may be reasonable and necessary to carry out the provisions of this section and to adopt rules and regulations in regard thereto.

### **Corporate Insurance.**

#### **30.**

Where policy cancelled and new policy issued at suggestion of insured, with insurer's consent, and notice given commission prior to accident, provision as to notice of cancellation held not controlling; notice waived. *Eurich v. General Casualty Co.*, 152 Md. 213.

### **Application of Article; Extra-Hazardous Employments.**

An. Code, 1924, sec. 32. 1914, ch. 800, sec. 32. 1916, ch. 597, sec. 32. 1920, ch. 456, sec. 32. 1924, ch. 583, sec. 32. 1929, ch. 331.

**32.** Compensation provided for in this Article shall be payable for injuries sustained or death incurred by employees engaged in the following extra-hazardous employments:

(1) The operation, including construction and repair, of railways operated by steam, electric or other motive power, street railways and incline railways, but not in their construction when constructed by any person other than the company which owns or operates the railways, including work of express, sleeping, parlor and dining car employees on railway trains.

(2) Construction and operation of railways not included in paragraph 1.

(3) The operation, including construction and repair, of car shops, machine shops, steam and power plants, and other works for the purposes of any such railway, or used or to be used in connection with it when operated, constructed or repaired by the company which owns or operates the railway.

(4) The operation, including construction and repair, of car shops, machine shops, steam and power plants, not included in paragraph 3.

(5) The operation, including construction and repair, of telephone lines and wires for the purposes of the business of a telephone company, or used or to be used in connection with its business, when constructed or operated by the company.

(6) The operation, including construction and repair, of telegraph lines and wires for the purposes of the business of a telegraph company, or used or to be used in connection with its business, when constructed or operated by the company.

(7) Construction of telegraph and telephone lines not included in paragraphs 5 and 6.
