

Maryland providing that at a certain date named in said act the portion of Curtis Creek over which said bridge will be constructed will be within the limits of the City of Baltimore, then the County Commissioners of Anne Arundel County shall have no jurisdiction or authority to pass upon said petition for said bridge but the said street railway company must obtain authority to construct and maintain said bridge from the Mayor and City Council of Baltimore by an ordinance duly passed, and the Mayor and City Council of Baltimore is hereby authorized, although the date on which said portion of Curtis Creek shall become a portion of the territory included within the limits of the City of Baltimore might not then be reached, to grant to such railway company, on such terms as it may see fit to impose, the right and power to construct, improve and to maintain for the use of such railway company over Curtis Creek at any point within the limits of the City of Baltimore as defined by said act extending its limits. Provided, however, that nothing in this Act shall relieve the said railway company from the obligation imposed upon it by Section 282 of Article 23 of Bagby's Annotated Code to obtain the approval of the plans of said bridge by the Board of Public Works.

1918, ch. 490, sec. 2.

Sec. 2. *And be it further enacted*, That a street railway company which shall desire to construct and maintain a bridge for its own use across Curtis Creek shall not be required to obtain permission for such construction from the General Assembly of Maryland as required by Section 131 of Article 23 of Bagby's Annotated Code, but said railway company shall not construct said bridge until it has obtained the authority required by this Act and by Section 282 of Article 23 of Bagby's Annotated Code.

1918, ch. 490, sec. 3.

Sec. 3. *And be it further enacted*, That the County Commissioners of Anne Arundel County are hereby authorized to rebuild the said bridge over Curtis Creek on its present location, or to rebuild said bridge across Curtis Creek at any other point selected by it within the limits of Anne Arundel County of such strength and size to permit its use by street railway cars; and if at the time the said bridge requires rebuilding or relocating it shall be within the limits of the City of Baltimore then the Mayor and City Council of Baltimore is hereby granted authority to rebuild said bridge over Curtis Creek on its present location or to rebuild said bridge across Curtis Creek at any other point selected by it within the limits of the City of Baltimore of such strength and size as to permit its use by street railway cars.

Sec. 4. *And be it further enacted*, That this Act shall take effect on the first day of June, 1918.

Approved April 10th, 1918.
