

they shall, during the year 1920, extend the sewers and drains along and under Fifth Avenue, Sixth Street and Seventh Street, from the present termination of said system on the north side of Main Street, southward to the limits of said town, as provided by its new municipal charter, passed at the January Session of the General Assembly, 1914, and shall provide for the adequate drainage of the same to the Choptank River, or to some disposal plant to be by said Commissioners erected, and shall have all powers necessary or appropriate for said purpose and for the accomplishment of the objects thereof.

1906, ch. 332, sec. 2.

156. The Commissioners of Denton shall have full power and authority to acquire by purchase, lease, gift, devise or by condemnation in the manner prescribed in Sections 331 to 336, inclusive, of Article 23 of the Code of Public General Laws of Maryland, title "Corporations," sub-title "Condemnation of Property by Corporations," any lands or any interests therein in said town of Denton or in Caroline County adjacent to said town which may be needed for the disposal of said sewage or drainage or for any pipes, sewers, buildings or other works or structures needed for the construction and operation of said sewers or disposal of said sewage or drainage or for any pipes, sewers, buildings or other works or structures needed for the construction and operation of said sewers or disposal of said drainage.

1906, ch. 332, sec. 3.

157. The Commissioners of Denton shall have full power and authority to construct any sewers and drains in or under the beds of any of the streets, roads, alleys and lanes of said town, and in and under any lots or parcels of land belonging to or which may be acquired by the Commissioners of Denton, and to connect therewith at the expense of the Commissioners of Denton, or to cause or require the owners or occupants thereof to connect therewith at the expense of such owners or occupants any or all of the sinks, wells, cesspools and receptacles of water or sewage in said town along the line of said sewer. And said Commissioners of Denton shall have full power and authority to provide by ordinance when and how such connections shall be made, and the fines and penalties for the failure, neglect or refusal of property owners or occupants of lands and premises in said town to make or permit such connection, and for injury to or interference with said sewers, drains, pipes and connections; and said fines and penalties shall be collected as other penalties and fines are now or may hereafter be collected.

1906, ch. 332, sec. 4.

158. Whenever said sewerage system shall be in proper working order for receiving and disposing of the sewage and drainage of any premises which shall be connected with it, the said Commissioners of Denton shall have full power and authority to cause or require any well, sink, cesspool or other receptacle of sewerage or drainage on said premises to be cleaned
