

or sums of money as they may deem requisite for building of new bridges and opening of new roads, and for repairing and reconstructing public roads and bridges in said county. All of the taxes levied and collected under the provisions of this section shall be disbursed by the said County Commissioners upon the roads and bridges in said county and in the manner hereinafter provided, and in no other.

P. L. L., 1888, Art. 6, sec. 207. 1860, Art. 6, sec. 153. 1904, ch. 644, sec. 207.
1910, ch. 198, sec. 207 (p. 673).

528. The County Commissioners of Caroline County shall, on or before the first Tuesday of June succeeding the passage of this Act, as hereinafter provided for, appoint some competent person, who shall have a sufficient knowledge of civil engineering and road construction to enable him to accurately make surveys, plats, profiles and specifications for the grading, draining, maintenance, repairs and reconstruction of the public roads of the said county; and also to do the necessary engineering work for the building or rebuilding of bridges; and who shall have had at least two years' experience in road engineering work, to be known as County Road Engineer for Caroline County, at a salary of not less than fifteen hundred dollars a year, payable monthly; and the said County Road Engineer shall hold his office for a term of four years, or until his successor is appointed, approved and qualified, unless removed for cause, as hereinafter provided; and the County Commissioners shall make such appointments without any reference whatever to the political opinions of the person so appointed; and the appointments, when made, shall be approved by the State Roads Commission.

P. L. L., 1888, Art. 6, sec. 208. 1860, Art. 6, sec. 154. 1904, ch. 644, sec. 208.
1910, ch. 198, sec. 208 (p. 673).

529. The said County Road Engineer shall not be liable to removal from office during the term for which he is appointed for any other reason than incompetency or neglect of duty. Complaints of such a character shall be filed in writing with the County Commissioners, who shall set a day for considering such charges or complaints, of which hearing the County Road Engineer shall have at least five days' notice in writing; and in case the County Road Engineer shall be removed from his position during the term for which he is appointed he may, within ten days' from the notice of dismissal, ask from the County Commissioners their reason therefor in writing, and appeal the matter to the State Roads Commission, whose decision shall be final; provided, said appeal shall be made to the State Roads Commission within twenty days from the date of the notice of removal.

P. L. L., 1888, Art. 6, sec. 209. 1860, Art. 6, sec. 155. 1904, ch. 644, sec. 209.

530. The County Road Engineer shall reside in Caroline County during the term of his office, and shall have entire charge, control and supervision of the working, repairing and reconstructing of the public roads and bridges in Caroline County, and shall make all specifications
