

1910, ch. 198, sec. 213D (p 674).

538. At all times while the teams and road equipments are engaged in the regular road work they shall be under the exclusive control and management of the County Road Engineer, but at all other times when the team is not working they shall be under the control and management of the County Commissioners; and it shall be the duty of the County Road Engineer to submit to the County Commissioners for their information the prices of all bridges and road material recommended by him to be purchased for use in the repair or rebuilding of the roads and bridges, as hereinbefore provided to be repaired or rebuilt, before same shall be purchased by the County Commissioners, and also the quantity, price and quality of food required for the teams. It is expressly understood that all materials, supplies, feed, equipment, etc., for use on the county roads and bridges are to be purchased by the County Commissioners of Caroline County, and same shall be inspected and passed upon, and all bills O. K'd by the Road Engineer before being paid.

1910, ch. 198, sec. 213E (p. 675).

539. The said County Road Engineer, whenever requested by the County Commissioners to do so, shall take charge of and supervise all contract work on the county roads and bridges entered into by the said Commissioners with the State Roads Commission, or under the provisions of the Shoemaker Act when not actually engaged in the general road work of said county.*

P. L. L., 1888, Art. 6, sec. 214. 1860, ch. 6, sec. 161. 1908, ch. 532, sec. 214 (p. 684).

540. It shall not be lawful for any person, persons, corporation or body politic to place any obstruction upon any of the public highways, roads and bridges of Caroline County, or to interfere with or obstruct the ditches or drains thereof, or encroach upon said highways and roads with fences, buildings or anything else which would tend to interfere with the travel thereon; nor shall it be lawful for any person, persons, corporations or body politic engaged in the business of agriculture, to plough, cultivate or make turnrows in any of said highways and roads, or in any of the drains or ditches of Caroline County, nor shall it be lawful for any person, persons, corporation or body politic to suffer or permit his or its traction engine to stop for any purpose whatsoever on any bridge in Caroline County.

1908, ch. 532, sec. 214A (p. 685).

541. Any person, persons, corporation or body politic violating any of the provisions of Section 540 of this Article shall be guilty of a misdemeanor, and upon conviction thereof by any justice of the peace exercising criminal jurisdiction in Caroline County, shall be fined, said fine not to

*Sec. 2 of ch. 198, 1910, repealed the provisions of ch. 644, 1904, inconsistent therewith.
