

and in the event of such connection being made, said property owner and said property, as to all charges, rates and benefits shall in every respect stand in the same position as if the said property abutted upon a water main. The annual benefit charges as above specified shall be a first lien upon the property against which they are assessed, subject only to prior State, county and municipal charges, and shall be enforced by a judgment upon complaint of the Mayor and Common Council of Manchester before any Justice of the Peace or Circuit Court for Carroll County, and usual execution thereon. No such annual benefit charges shall continue as a lien for a period longer than two years from the date from which the same became in default, unless it is reduced to a judgment and duly recorded among the records of the office of the Clerk of the Circuit Court for Carroll County. Said benefit charge shall be payable at the office of the Mayor and Common Council of Manchester immediately upon being levied, and shall be in default after 60 days from that date; and said levy, and any judgment obtained as a result of the default of the payment thereof, shall bear interest at the rate of 1 per cent. a month from and after the time said levy is in default.

1924, ch. 93, sec. 8.

198. Said Mayor and Common Council of Manchester shall provide for each and every property abutting upon a street or right-of-way in which, under this Act, a water main is laid, a water connection which shall be extended as required, from the water main to the property line of the abutting lot, said connection to be constructed by, and at the sole expense of the Mayor and Common Council of Manchester. When any water main is declared by the said Mayor and Common Council of Manchester complete and ready for the delivery of water, every abutting property owner, after due notice, shall make connection of all spigots or hydrants, toilets, with said water main within a time prescribed by the said Mayor and Common Council of Manchester. Where the aforesaid fixtures do not exist or are of a nature which, in the judgment of the Mayor and Common Council of Manchester, is improper or inadequate, satisfactory equipment shall be installed. All wells and cisterns that are found by the Mayor and Common Council of Manchester to be polluted or a menace to health shall be abandoned and closed. Any violation of the provisions of this section shall be a misdemeanor punishable under Section 206 of this subtitle.

1924, ch. 93, sec. 9.

199. Before any plumbing, water works construction is done in any building, or upon any private property, within the corporate limits of the town of Manchester, the person, firm or corporation doing the same shall first obtain a permit from said Mayor and Common Council of Manchester and pay therefor such reasonable sum as the Mayor and Common Council of Manchester may prescribe. Such work shall be done under and pursuant to such rules, regulations and requirements as the Mayor
