

1924, ch. 93, sec. 11.

201. All sums collected by the Mayor and Common Council of Manchester for benefits levied against property for water supply construction, and half of all sums collected by the Mayor and Common Council of Manchester for water connections, as provided in Section 200, shall be set aside as a separate fund, to be known and designated as the "Current Interest and Sinking Fund," if sinking fund bonds are used, and "Current Bond Fund" if serial bonds are used, from which fund interest shall be paid on all outstanding bonds, and the balance, if any, transferred to the "Water Supply Sinking Fund Account" if sinking fund bonds are used, or to the "Water Supply Bond Account" if serial bonds are used, as provided under Section 195. The Mayor and Common Council of Manchester, in order to determine the amount necessary to be levied under Section 195 shall deduct the amount of their credit in said "Current Interest and Sinking Fund," if sinking fund bonds are used, or in said "Water Supply Bond Account" if serial bonds are used, from the whole amount necessary to be raised in any one year for interest and sinking fund on outstanding bonds, if sinking fund bonds are used, or for interest and principal on outstanding bonds if serial bonds are used, and the balance remaining to be raised shall be the amount to be collected by taxation as provided under Section 195.

1924, ch. 93, sec. 12.

202. For the purpose of providing funds for maintaining, repairing and operating their water supply system, including overhead expenses and property depreciation allowance, said Mayor and Common Council of Manchester shall be empowered and directed to make such service rates as they may deem necessary chargeable against all properties having a connection with any water main under their ownership. Said rates shall be uniform throughout the town of Manchester, but subject to change from time to time, as necessary. The rates for service shall consist of a minimum or ready-to-serve charge which shall be based upon the size of the meter on the water connection leading to the property, and of a charge for water used, which shall be based upon the amount of water passing the meter during the period between the last two readings, said meter being required to be placed on each water connection by, and at the sole expense of, the Mayor and Common Council of Manchester. Bills for the amount of the charges as above specified shall be sent quarterly or semi-annually, as the Mayor and Common Council of Manchester may determine, to each property served, and shall thereupon be payable at the office of the Mayor and Common Council of Manchester; and if any bill shall remain unpaid after thirty days from date of sending, the Mayor and Common Council of Manchester shall, after written notice, to be left upon the premises or mailed to the last known address of the owner, turn off the water from the property in question and it shall not be turned on again until said bills shall have been paid. If any bill shall remain unpaid for sixty days after being sent out by the Mayor and Common Coun-
