

repaired; which permit shall be issued to any master plumber who has complied with Article 43 of the Code of General Laws as amended in 1910, interested or in any way connected with such work, upon application in writing stating the location of the premises where such work is to be done and time at which the work will be commenced.

1904, ch. 206, sec. 4. 1912, ch. 168, sec. 4.

498. That any person who after receiving such permit as provided for in the preceding section shall, without notice in writing to the said Board of Health, commence any portion or part of the work thereby authorized, before the time set out in the permit aforesaid, shall be upon conviction subject to a fine as hereinafter set forth in this Act; and all plumbing work as authorized by said permit shall be constructed subject to the supervision of the Inspector of Plumbing under the direction of the Board of Health, and shall be constructed, altered or repaired by a licensed plumber under the direction of a master plumber. Said master plumber must have a store or shop and place of business on some street or alley in any of the said incorporated cities or towns in Allegany County for the issuing of a permit as above provided. The Board of Health shall charge and collect from the master plumber at the time of such the following fees: For work the estimated cost of which does not exceed the sum of five dollars, a fee of 25 cents shall be paid; for work the estimated cost of which exceeds five dollars but does not exceed the sum of twenty dollars, a fee of 50 cents shall be paid; and for all work the estimated cost of which exceeds the sum of twenty dollars, a fee of one dollar shall be paid.

1904, ch. 206, sec. 5. 1912, ch. 168, sec. 5.

499. That all plumbing work referred to in this Act shall be performed in strict conformity to the orders and directions of the Inspectors of Plumbing, with the approval of the Board of Health, for the protection of the health of the city or town, and any neglect or refusal to comply with such orders as aforesaid, or any neglect or refusal to obtain the permit before commencing any work, as aforesaid, shall subject the person or persons so neglecting or refusing so to do, upon conviction, to a fine as hereinafter set forth.

1904, ch. 206, sec. 6. 1912, ch. 168, sec. 6.

500. That any person who shall construct, erect or repair any such plumbing work without first obtaining the permit hereinbefore mentioned shall upon conviction be fined the sum of twenty dollars, to be collected as other fines are collected under the laws of this State.

1904, ch. 206, sec. 7. 1912, ch. 168, sec. 7.

501. That any person who after having obtained said permit in accordance with the provisions of this Act shall construct, erect or repair any such plumbing work as referred to in this Act contrary to the instructions of the Inspector of Plumbing or the rules and regulations of the Board
