128. For the purpose of the supervision of the public roads and bridges in Cecil County, each County Commissioner shall have control and jurisdiction over the Commissioner District for which he is elected, subject to the following regulations and restrictions:

(1) He shall be limited in his expenditures on the roads and bridges in any one year in his Commissioner District to one-third of the amount levied for roads and bridges in the county; said levy shall not exceed thirty-five cents on the one hundred dollars of the entire tax levy for the county.

(2) In case of special necessity, however, arising from floods or other unusual damages, he may be authorized by a unanimous vote of the Board of County Commissioners to expend such other sum as it may direct.

(3) The County Commissioner in each Commissioner District shall act as supervisor of roads and bridges in his Commissioner District, and shall have exclusive charge and oversight of said roads and bridges and all repairs thereto.

(4) Before any bill for work on roads and bridges shall be submitted to the Board of County Commissioners, it shall be first examined and marked "Approved" by the Commissioner having charge of the Commissioner District in which the work was done. All bills presented for payment in the office of the County Commissioners shall be at all times open to the inspection of the public during office hours and under the direction of an employee of the office.

(5) Each County Commissioner shall inspect all the public roads and bridges in the Commissioner District from which he is elected, at least, twice in every year; one inspection shall be between the first day of January and the first day of April; one inspection shall be between the first day of August and the first day of November. He shall inspect all repairs to the public roads and bridges in his Commissioner District as soon as possible after such repairs are made, and unless the contract for said repairs has been fully complied with he shall refuse to approve the bill for the same.
